**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I purposely left ATT to go with my local carrier, Sonic. I am paying less money and am very happy to be dealing with someone in my area. Please dont take away this option for consumers. I work from my home, at times, and in my office a couple of days a week. In both locations I use local internet providers. I would be paying much more, especially at my office, where my provider is in my complex. I probably wont continue having WIFI there, if I have to pay more for services. As a small business, I have to watch my overhead. I also feel safer and worry less about privacy and hacking.

Thanks,

Georgia Berry
